Welcome to a new school year at Franklin Sherman!
 We hope you will join the PTA.

The Parent Teacher Association (PTA) at Franklin Sherman is a very meaningful organization. More than ninety percent of all parents, teachers and staff at Franklin Sherman are members of the PTA. The PTA helps parents, students, school staff and the community work together to share ideas about programs and activities that benefit our students. The PTA provides information and resources and plans events that strengthen the connections between these groups.

The PTA holds meetings throughout the school year with all stakeholders to discuss how they can enhance the overall experience at the school. Members of the PTA help by identifying needs in the school and then organizing volunteers, planning programs or raising private funds to help pay for them. These needs can include educational, social, cultural, technological or health-related programs at the school. Please join today to support our school.
