

JBF Tip of the Month--Changing your JBF password or username

Log into your account at www.justbetweenfriends.com.

Click on the words "Our Household" in the upper-right hand of your start page.

Click on the red link "Change Username and Password."

Enter in your current password and the new password in the proper fields.

You can also change your username here, but must perform this action separately

Click on the button "Change Password."

You will then see the words "Password changed successfully!"

Passwords must be at least 7 characters long and can not be retrieved by the FS administrator, they must be reset.
