

Thank You to Our Wonderful Teachers!

Mrs. Merritt,
Thank you for your encouraging words about my daughter.

Mrs. D'Erme,
I am thrilled with how you and Ms. McKibben have worked with the class to encourage kind words, respect, and peaceful interactions. I note a marked decline in "reports" of hurt feelings from my child.

Mrs. D'Erme,
Thank you for making this such a special year for my child. Warm regards.

Ms. McKibben,
Thanks for setting up the field trips to SHARE. How wonderful for our children to learn about this wonderful organization and learn an important lesson about volunteerism and helping those less fortunate in our community. GREAT!

Mrs. Jacoby,
My child continues to love school and being in your class. You've kept him motivated – thank you! He has enjoyed telling us all about crickets! Thanks for all you are doing.

Mrs. Jacoby,
Thank you for multi-tasking between the 1st and 2nd graders you have in your class and all the while making each student feel special! I know it is not easy and you do it so well everyday while tenderly pushing each student to their full potential. THANK YOU!

Mrs. Jacoby,
My child loved the "cricket hat". She wore it all day Wed. and all night Thur. It continues to show up at the dinner table! Thank you for getting my child excited about school.

Mrs. Jacoby,
My child is adjusting nicely to the combination class.

Mrs. Schreiber,
Thank you for all the recent email communication regarding the Advanced Academic screening process and your input regarding my child.

Mrs. Ferek,
I like that you give high fives as the kids go to lunch.
I love the knitting. It connects the kids in-out of class and will give them a lasting gift. Today a child made a gift for my child's hamster – a blanket! ☺

Mrs. Ferek,
Thank you!

Mrs. Choiniere,
Thank you so much for all you do for my child. My child loves going to the library and has learned so much from you. My child adores you.

Mrs. Ferek,
My child seems more excited and has set up another playdate. I sensed your hands at work in that!

Mrs. Ferek,
I love that you are giving each child an opportunity to experience public speaking and allowing them to learn how to research a certain topic. Thanks for incorporating biographies in your daily schedule.

Ms. Moody,
My child is SO excited about writing and solving math problems. My child says "math is so exciting!"
Thank you!

Ms. Huyett,
I really like the fact that my preschooler sings the songs he is learning from you!

Mrs. Nason,
Yesterday my child came home and told me about Martin Luther King and we were so impressed! Mrs. Nason told him in English and he told us in our home language.

Mrs. Birnbaum,
You are a lovely teacher to my child.

Mrs. Gallagher,
My child really loves coming to school everyday.

Mrs. Gallagher,
Thank you for teaching my child so much. My child tells me second grade isn't easy but you are a teacher with a passion. We are lucky to have you.

Mrs. Charin,
My child loves Spanish in class and Spanish club. You are so energetic and positive. You are a great teacher.

Mrs. Cole,
Thank you for making this year such a great learning experience for my child.

PTA,
My child joined the Chess Club. Thank you!

PTA,
I love that we will have a Fun Run/Rededication for our new courtyard this year.

PTA,
I love how the courtyard is coming along. In particular, I think the brick work is so handsome and including memorial in honor of bricks is a brilliant idea and is being meticulously executed! BRAVO!
