

Franklin Sherman School Bank

Parent Permission Slip

I understand that Franklin Sherman Elementary School is partnering with Chain Bridge Bank to create an in school bank. I give my permission for my child to participate in all aspects of this bank: applying for job openings, participating in job roles if selected, and working during 2 lunch periods a month as well as the occasional recess. I also understand that this permission slip applies for the entire 2008-2009 school year. If my child is not hired for a position for the 1st available quarter, they then have my continued permission to try for positions throughout the school year.
