

Library Volunteer Information Sheet

Welcome to the Franklin Sherman Library! Allow me to introduce myself. My name is Nicole Choiniere-Kroeker (Choiniere is pronounced *Shwan-yair*) and this is my fourth year as the librarian at Franklin Sherman ES.

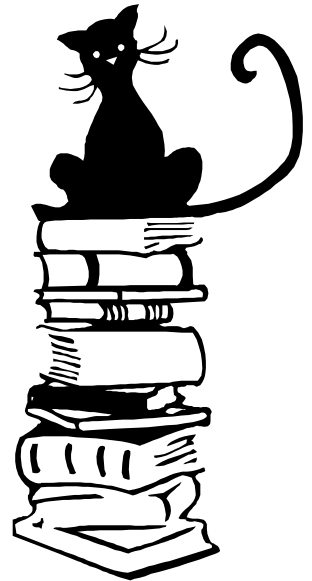

I am looking forward to working with many of you during the school year. There will be many opportunities to support the library program both on site as well as in the comfort of your home. If you are interested in volunteering in the library, I ask that you share 2 shifts a month for an hour or two at a time. Please note that because the library is considered to have a “classroom atmosphere,” I ask that no pre-schoolers accompany volunteers. For those of you who can help from home there may be cutting/folding/collating/labeling projects that you can help with throughout the year.

If you are interested in volunteering, please fill out the information on the next page and return it to school as soon as possible. I will schedule a training session based on the availability of the volunteers. I will send home or email notification about the session as soon as a date is set. The purpose of the training session is to help you become acquainted with the library and its procedures. If you have any questions, please contact me at school. My phone number is 703.506.7963 and my email is nicole.choinierekroeker@fcps.edu .

I’m looking forward to meeting you and working with you this year.

Sincerely,

Nicole Choiniere-Kroeker
Librarian
