

Your Generous Donations Needed!

Fairfax County does not provide enough for Franklin Sherman Elementary School's instructional needs during the school year. Their contribution of only **\$115** per student does not cover all FSES expenses for supplies for the classrooms, art, music, and PE, or special activities like grade special events.

Help us **DOUBLE** the amount the County contributes by **MATCHING** the County's per-student contribution of **\$115!** Our goal is to raise **\$15,000 in 15 days.**
